

Haughley Playing Field 50/50 Club – An update

Haughley Playing Field 50/50 Club is a fund-raising scheme which supports Haughley Playing Field. Members pay an annual £10 subscription fee for every number they hold. 50% of all money collected goes into a Prize Draw fund and 50% is donated to the Playing Field to help with expenses and the cost of activities. Nothing is spent on administration and public Prize Draws are held quarterly. 85 numbers were purchased in 2020, raising £850: £425 was put in the Club's Prize Draw Fund and £425 was donated to the Playing Field.

50% to the Prize Draw Fund

50% Donated to the Playing Field

12 cash prizes were distributed to 50/50 Club Members in 2020			
	1 st Prize	2 nd Prize	3 rd Prize
January, June and September	£50	£25	£10
December	£100	£50	£20

The December 50/50 Club Draw has always been held at the “Christmas Tree Lights Event”, but because the 2020 event was cancelled, it will be witnessed by the Parish Clerk, who is not a 50/50 Club member, on Tuesday December 15, just before the Haughley Parish Council remote video meeting. Club Members will be notified of the Prize Winners, after winners have been personally advised of their good fortune.

On-going support for the Playing Field will be more important than ever in 2021, so we hope current members will renew their subscriptions at the end of this year. Every £10 subscription means that £5 is added to the Prize Draw fund and £5 is added to the Playing Field donation. New members are always welcome.
