**ST MARY'S CHURCH, WETHERDEN
BLUEBELL SUNDAYS - £8,712**

A really big **THANK YOU** to everyone who supported the Haughley Park GARDENS & BLUEBELL WOODS Sundays in aid of St Mary's Church, Wetherden.

We were blessed with pleasantly warm weather and welcomed between 1400 and 1500 visitors over the two Sundays.

It was good to be back and lovely to see so many enjoying tea with our homemade cakes in the Barn and in the outside spaces.

So, whether you came to enjoy the gardens and bluebells followed by tea and cake, or whether you were one of the many volunteers who helped set up the Barn early on the Sunday mornings, manned the entrance, helped with parking the cars, baked cakes, sliced and served the cakes, made numerous pots of tea and cups of coffee, cleared and wiped tables, dealt with the mountains of washing up, or helped to stack tables and chairs at the end of each day, we are really, really grateful. Without our visitors and our large team of willing volunteers we would not have raised the amazing sum of **£8,712** over the two weekends.

AND not forgetting a **THANK YOU** to Robert Williams for allowing us to use the grounds of Haughley Park on the last Sunday in April and first Sunday in May each year to raise money for our Church.

THANK YOU - *From St Mary's Church, Wetherden PCC*

The Queen's Platinum Jubilee

The Platinum Jubilee Of Her Majesty Queen Elizabeth the Second

'Of Jubilees & Coronation's'

Since the Coronation at Bath of the Saxon King Edgar over one thousand years ago, it has been the ancient tradition of these Islands to come together and celebrate the Coronations & Jubilees of our Sovereigns throughout the centuries.

When William the Conqueror first took England in 1066 and built his Castle at Haughley to Elizabeth I and the defeat of the Spanish Armada, Haughley has always celebrated with Festivals and Merriment; Services of Thanksgiving, Hog Roasts,

Ale, the Pealing of Bells and the Lighting of Beacons on the Ancient Market Place of what is now our Village Green.

We have seen visits to our 'ancient town' from Kings and Queens over the centuries..... from Edward II in 1325 and King John in 1216 to Henry III and his brother, Richard Earl of Cornwall the Holy Roman Emperor Elect with many more visiting their ancient 'Burgh' Castle & Hunting Grounds of this the former Saxon Hall and seat here at 'Hageneth'

In 1810 we celebrated the Golden Jubilee of King George III with a new Church Clock erected by Thomas Pritty before once again in 1887 & 1897, Mr Cornish the Headmaster's celebrations for Queen Victoria's Golden & Diamond Jubilees, saw Games & Dancing.

A Grand Tea was held in Mr Felgates Maltings, the soon to be Village Hall, for seven hundred parishioners.

However, *'Baskets were strictly forbidden'*, should any poor soul scurry off with plum puddings bread, pickles or hams home!!

Men were permitted Two Pints of Beer, Women One and Children... Ginger Beer!

An unfailling Haughley tradition from the time of the Tudors and Charles II to George IV, Victoria and George V, is the gift of a

Shilling to the Bell Ringers of Haughley together with a pint of Ale; a tradition we will duly honouring on Jubilee Day

Royal Weddings, Empire Day and Military Victories were added to our list of reasons to celebrate and the Coronation Celebrations led by Alfred Woods in 1902 and William Cobbold in 1911 for Edward VII & George V, were held at Plashwood.

In 1935 we celebrated the Silver Jubilee of King George V and in 1937 the Coronation of his son, George VI, were led by Ronnie Palmer & Lady Balfour where the tradition of each Haughley household receiving a Commemorative Programme began.

The resulting celebrations saw the purchase of the field 'Collinson's' to become today's King George V Playing Field.

In 1953 the Coronation Celebrations again led by Ronnie Palmer & Lady Eve Balfour for our present Queen began on a wet June day. Reveille and God Save the Queen played from the Church Tower preceded Children's Tea Parties, Games, Sports, Pram Races, Fancy Dress Parades & Displays. Dancing to the "BBC Radio Band", Fireworks & Bonfires came later and it also afforded the first glimpse for many of the *'new Television miracle'* as Parishioners crammed into the open homes of Roy Palmer & Alf Edwards to witness the ancient service from Westminster Abbey in London on a 8" black and white television screens.

The resulting Festivities led to the purchase of Children's Play Equipment on the Playing Field.

Today after Seventy Years of Service to the Nation and the Commonwealth, we once again celebrate the Jubilee of our own dear Queen, Elizabeth the Second, who ascended to the throne in 1952 aged 25 and whose Silver, Golden and Diamond Jubilees we celebrated only a few years ago with Fetes, Fireworks, Tea Parties, Church Services, Sports & Fancy Dress

Today our Domesday hamlet of 'Hagala' celebrates again.... if a Jubilee is a time to pause and reflect it is perhaps also a time to come together as a community and country ; to unite and appreciate our neighbours, the environment and once again celebrate and create memories for future generations of 'Horleyites'.

We hope you enjoy the events organised for you and send you our very best wishes

HAUGHLEY PARISH COUNCIL

Chairman's Column, May 2022

APM

Our Annual Parish Meeting occurred on 9th May and was well attended with groups providing written reports, which were displayed along with photographs of Achievements since the last APM in 2019. The format was a success, and it will be repeated next year. The reports and pictures along with draft meeting minutes can be found on the Haughley Parish Council website, <http://www.haughleypc.co.uk>, which now has a link to Haughley Village Website. Thanks to Claire and Yvonne for baking the cakes to go along with the tea and coffee served before the meeting.

ACM

The Annual Council Meeting of Haughley Parish Council was held on 17th May. For your sins I was elected Chairman for another year! Gerald Brown kindly accepted the nomination for Vice Chairman and was duly elected.

VILLAGE GREEN

As written last month, damage to our village greens and grass verges continues and we are receiving no response from Suffolk Highways with respect to advice on preferred options to help prevent the damage. Consequently, having given notice to Suffolk Highways of our intention, we will be installing conservation kerbing along The Green between The Folly and Old Street.

Also, as written last month, the Council intends to install posts on much of the grass verges in Haughley. Quotations are being sought for the work. It is intended to remove the old posts and replace with new (wooden) posts. Should you have any comment on this initiative, please write to me or to Claire, our Parish Clerk at clerk@haughleypc.co.uk.

QUEENS PLATINUM JUBILEE

Organisation of the celebrations is all but concluded. See the posters that have been placed in several areas of the village, in an insert you would have received last month with the Parish News and by Palmers bakery for more detail. On Monday 23rd, the Torch Relay passes through Haughley. Do please gather around The Green for 11:45 to witness its progress. A week-long series of events are organised culminating on the Jubilee Bank Holiday. Do come along to the 'Beacon and Barbecue' opening event from 8pm and lighting of the brazier at 9:45pm on Thursday 2nd June.

WILDFLOWER MEADOW

An area of land on the Bellway Homes housing development on Fishponds Way has been set aside for a wildflower meadow. Supported by Haughley Parish Council the Biodiversity and Wildlife Conservation Working Group request your nominations for a name for the meadow. The only proviso is that 'Wildflower Meadow' is in the title. In a forthcoming issue of H&WPN will be an insert proposing some names on which you can vote, just tick one box, or suggest two alternative names. Once complete, take your voting slips to the Post Office where there will be a box for their collection.

PARISH COUNCIL MEETINGS

All parishioners are welcome and encouraged to attend Council meetings. A brief report of the May meeting can be found elsewhere in this issue of H&WPN, and full draft minutes of the meeting can be found on the Parish Council website <http://www.haughleypc.co.uk>.

PARISH COUNCIL VACANCIES

We have 4 vacancies at present on the Council. We would very much welcome new members to fill these vacancies and if you are willing to give a little of your time each month to the parish, please contact Claire, our Parish Clerk, at clerk@haughleypc.co.uk for further details.

HAUGHLEY PLAYING FIELD BOWLS CLUB

Our season is now well under way with a mixed bag of results. The senior cup team are already through to the area final with a win over Brandon. In all the leagues we have made a moderate start with some good and some average performances. It is still early days and a lot can happen during the next few weeks.

We would like to see anyone from the village who feel they can come and support us. We have games most evenings with plenty of seats around the green and of course the bar is open.

The green is looking really good with the new irrigation system working well. Our dedicated team who keep the green and its surrounds in such good order have been working well and the comments we receive from visiting teams make it all worthwhile.

Our open weekend was a huge success with around a dozen people from the village turning up and having a roll up. Most have enjoyed the experience and are keen to progress further so we are holding regular roll up sessions which anyone can attend on a Sunday morning from 10.00am until 12.00pm. We supply the woods but you must wear flat bottom shoes (Trainers are acceptable). Every new player we recruited was from the village which is great for us as it gives the club a good name in the bowling world as we are recruiting locally. If you require further information please go to our website (Haughley Playing Field Bowls Club) or contact Peter Mead 07845 068679

WETHERDEN PARISH COUNCIL

Minutes of the Annual General Parish Council meeting held on 16th May 2022

Present: Cllr Duncan Perry, Cllr Andrew Lewis, Cllr Richard Thurman

In attendance: Cllr Rachel Eburne and later in the meeting Cllr Andrew Stringer, Cllr Keith Welham, one member of the public

Election of Chairman and signing of the Declaration of Acceptance of Office

Proposed and seconded that Cllr Duncan Perry be re-elected Chairman for the following year – all in agreement. The Declaration of Acceptance of Office was duly signed.

Apologies for absence: Cllr Stacey Lascelles, Cllr Stephanie Hensley.

Election of Vice Chairman: Not considered necessary at this present time.

Declarations of Interest: None declared.

Minutes of the Parish Council meeting: The minutes of the Parish Council Meeting of 25th April 2022 were approved as a true record and signed by Cllr Thurman.

Public Participation: Footpath 51: Despite recent discussions between Cllr Perry and James Rand to reduce daily vehicle access up the track, a few field tenants are, however, still using the path. Cllr Perry to have a further conversation with James Rand.

Following a complaint to Highways concerning diverted traffic coming through the village on the 9th May, the subcontractor has admitted this was a mistake on their part and as a recompense, a donation to a charity will be made.

Clerk's report: No additional items to report other than those on the agenda.

To receive any planning applications validated since the last meeting

Proposal: Householder Application – Erection of garage extension with pitched roof to form double garage with office space above

Location: Beech Rise, Kates Lane, Wetherden, IP14 3LE

Wetherden Parish Council supports this application.

Finance Reports and authorise payments: The finance report for the month ending 31 March 2022 was unanimously agreed.

The Certificate of Exemption – AGAR 2021/22 and the Accounting Statement 2021/22 was unanimously approved and signed.

The online limit for paying invoices was considered to be inadequate and should be increased. The clerk to contact HSBC for the relevant paperwork.

It was proposed and agreed that the sum of £20,000 should be earmarked for new play equipment

Locality Awards Funding: A revised application form has been submitted to MSDC for works to upgrade the Pavilion. Currently being processed.

New play equipment/ CIL Funding Enquiry: Still awaiting one further quotation. To assist with the cost of the new toddler play equipment and fencing, the CIL Funding Enquiry Form to be submitted to MSDC.

Quiet Lanes: Process moving on. The Quiet Lanes Team will be carrying out a signage survey as to where Wetherden's signs are to be positioned.

Insurance claim for repairs to the Pavilion: Costs still to be sought for the repairs. The insurers to be contacted to find out the number of quotations required.

Village Survey : The village survey to determine whether villagers want the ban on dogs at the playing field to stay or be lifted, or options for keeping dogs on leads was posted on social media and has received a variety of responses. However, more views are needed prior to any decision being made. It was proposed the survey is published in the next newsletter – all in agreement. Further discussion at the next meeting.

Net Zero by 2050: In the absence of Cllr Hensley, this item was deferred until the next meeting. It was pointed out by Cllr Lewis that possible future repairs to the village hall roof could be a perfect project for solar panels.

To consider common/playing field/projects and concerns: No further discussion as covered earlier in the meeting.

Correspondence: Circulated as and when received.

Urgent matters to be brought to the attention of the council: The tree has now been cleared over by the pond on the common. The person who undertook this task is to train to become a tree surveyor. As part of the course, his project will be to tree survey Wetherden. At present, any areas/trees deemed dangerous are dealt with straight away.

Date of next meeting

Agreed as Monday 20th June 2022 at 7.30pm.

With no further business the meeting closed at 8.21pm.

HAUGHLEY WI

Over the past year we have grown from 22 to 36 members and we are a good mix of ages.

The WI offers the opportunity to develop new friendships and to become involved in our local community activities.

We also contribute to WI national campaigns on a wide range of issues.

Members have a variety of interests and this is reflected in the range of speakers at our meetings, and through other activities. We meet on the first Wednesday of every month at Haughley village hall and also enjoy regular lunch outings.

Coming up, we have a cake stall on the Village Green and an entry in the scarecrow competition for the Queen's Platinum Jubilee. At June's meeting our guest speaker is hoping to involve us in belly dancing! Later in the month we will enjoy a stroll and fish and chip supper at Shotley.

Our summer party is our July meeting and in September, we look forward to a boat trip on the River Orwell from Ipswich to Felixstowe. The boat trip is open to guests but you will need to book soon.

New members will be warmly welcomed. We offer the opportunity to come as a guest to any meeting to meet members and experience any of our activities.

JUNE 2022

Wednesday 29 June, 7.30pm – SUFFOLK OTTERS

With Meg Amsden and Nicky Rowbottom

We rarely see otters because they're mostly active at night. Trail cameras have brought a revolution to our understanding of where they are and what they get up to.

Using first-hand data, photos and a film – Caught in the Act – composed of video clips from volunteers across the county, Meg and Nicky will tell some of the story of otters in Suffolk; how we lost them completely and how they're doing now.

SEPTEMBER 2022

Wednesday 28 September, 7.30pm – PUFFINS GALORE

With Simon Hooton

Skokholm island off the Pembrokeshire coast with its thousands of puffins along with a multitude of other birds. This talk reflects of 50 years of visiting this special island and its wildlife. And of course, a lot of pictures of puffins. Plus sale of the Trust's Christmas cards.

NOVEMBER 2022

Wednesday 30 November, 7.30pm – WILDLIFE SPECIAL

Our special evening with a variety of items planned. Including a wildlife quiz, presentations, annual raffle and more.

Arrangements may change.

WETHERDEN VILLAGE HALL

We were a little concerned as we were restarting our monthly Whist Drives on Friday 13th May. During the day, we took all necessary precautions, and avoided walking under ladders, and we managed to avoid black cats (even if they looked friendly!)

We need not have worried though, as we had just under six tables in play, and everyone seemed to enjoy the evening, after a break of just over two years.

Our next Whist Drive will be held on Friday 10th June at 7.30pm. Why not come along??? You will be made very welcome! Admission £1 please bring your own refreshments

Tea & Tour

Sunday 3rd July from 3.00pm

You are invited to visit the meditation centre at Walnut Tree Manor in Haughley Green on Sunday 3rd July.

We invite you, our neighbours in the parish, to join us for a guided site tour starting at 3.15pm. Afterwards, you will be able to meet the team that runs the centre and ask any questions you have about our use of and plans for the site, including questions about the Vipassana meditation technique taught here.

Tea will be served. All are welcome and admission is free.

HAUGHLEY PLAYING FIELD AND PAVILION NEWS

King George's Field, Haughley charity No. 193471

Bingo. Our next session on Tuesday **14th June 2022**. 7pm for 7.30pm eyes down. All welcome every second Tuesday of the month. The next few dates are: 14th June, 12th July and 9th August, 13th September.

50/50 Draw – the next draw is in June just before the June Parish Council meeting.

Bins - At our June meeting we will be looking at a proposal to replace the current bins with bins with lids. Also, the type, position, and number of bins. This is part of the overall uplifting of the play area. It will also help with the issue of litter being blown out of the bins or birds pulling rubbish out as they look for food scraps. Please help us keep the play area clean and tidy by putting your rubbish in the bins or taking it home. Many thanks.

Parking – Occasionally when several activities are running at the same time the car park at the pavilion is full to overflowing. Even using our overflow grass area there is still insufficient room when unprecedented numbers of supporters come to support an away team. Locals, of course have the option of walking. This happened recently and sadly some of the visiting supporters were not as respectful as they might have been and the parking in the village was also a little haphazard by all accounts. Whilst it is fantastic for activity at the playing field to be so abundant, we will be discussing how we can address this issue to minimise problems in future. For now, may I extend our apologies to anyone affected. I hope, now that restrictions from covid are lifted and the cost of fuel is so astronomical, more people will start to list share again.

Pavilion redevelopment project update – We have been working with Ashenden Architecture Ltd for concept designs to present for consultation. We are due to meet again soon to work out a plan and dates for consultation once we have the designs. To repeat my comments from last month - Your opinions and input will be required. It is an important part of the process to have community engagement. We need to know what you would use and how often if it were there. There are practical considerations to factor in, but this is an ideal opportunity to consider a wider use of this facility in the future. Please start considering what activities would you like on your own doorstep.

Is there an activity you would support now if it were there? Please let me know and I will try my best to find a way to get a trial run or help you set it up. Do you know someone looking for a venue to start an exercise class or group? Would you support or join the existing groups that meet at the pavilion? They all need members and continued support.

Support your local groups – At the Playing Field Pavilion we have **Scouts who need a cub leader**. An expanding **Bowls club**, always happy to welcome new members. **Senior and Youth Football clubs** which are always in need of additional members to manage and support their activities. The more local membership the better. These are village groups that want local representation in them. **Royal British Legion** meet monthly. All are welcome to join you do not have to be ex forces. They are opening their monthly meetings to include other activities. You don't have to be a member to support or join in these activities. In the **function room** we have **Zumba** and **Yoga** classes at present and could have more. If you need a meeting space or know a group looking for a venue, please do get in touch to have a look around.

NEWS FROM YOUR DISTRICT COUNCILLORS

Again, this year, we have access to a Locality Award Fund totalling £7,350 for Haughley and Wetherden. Organisations and community groups can apply to this for amounts of £250 plus for projects they wish to undertake. Please contact either of us if you wish to apply.

All those eligible for the £150 energy rebate should have received this or been contacted by Mid Suffolk. If you think you are eligible and haven't heard, please let us know.

Work has started on the Gateway 14, the business and logistics park owned by Mid Suffolk on the eastern edge of Stowmarket. Outline planning consent was granted and the infrastructure of the site is now being constructed.

A new visitor centre and café, funded by Mid Suffolk, has opened at Needham Lakes.

In order to upgrade the national grid with the additional power coming from the off-shore wind sites, a huge infrastructure project to install a swathe of pylons across Suffolk is being considered. The pylons (taller than the current type) are proposed to go from Norwich to Bramford and will particularly impact on villages such as Gislingham, Mendlesham and Stowupland. The consultation is open until 16th June - search East Anglia Green consultation if you would like to provide your views.

Mid Suffolk

I am a single parent, with two young children. I am already struggling to stay on top of my household bills; my weekly food shop isn't stretching as far anymore and now my energy bill is going up too. I don't know how I'm going to afford all of these price rises. What can I do to stop my finances spiralling out of control?

First of all, you are not alone in this and there's support to help you.

It's always worth checking if there are benefits you don't know about that you're eligible for, including support with your energy costs and living costs. On the Citizens Advice website - citizensadvice.org.uk - there's a benefits calculator, advice on how to reduce living costs and information on other ways to increase your income.

There's also emergency support that you may have access to, such as food bank vouchers or fuel vouchers.

If you're struggling to stay on top of bills, it's really important to understand what money you have coming in and going out each month. Citizens Advice also has a budgeting tool on its website that can help with this.

If you're already behind on bills, prioritise paying your rent or mortgage, plus energy bills and Council Tax first. Not paying these bills has the most serious consequences. You should speak to the person or company you owe money to, to see if they can help you repay your bills sustainably.

We know that times are incredibly tough but please remember, you don't have to face this alone, so do contact Citizens Advice Mid Suffolk to help you find a way forward.

Citizens Advice Mid Suffolk can provide advice on this or any other issue, including debt, employment, benefits and family law. You can contact them on 01449 676060 or use the contact form at midsuffolkcab.org.uk/contact-us. For more information and our opening hours go to midsuffolkcab.org.uk.

The Zenith Radio Corporation created the very first television remote control in 1950 called "Lazy Bone." The Lazy Bone could turn a television on and off as well as change channels. However, it was not a wireless remote control. The Lazy Bone remote control was attached to the television by a bulky cable.

May's talk by the very knowledgeable speaker Christopher Parkinson on "*East Anglia's Stained Glass Windows*" was extremely informative with many gorgeous coloured images of stained glass from the 13th century right up to present day. He explained the various methods of how these were made from the earliest days, which is largely how they're still made today. Concentrating mainly on nearby churches, he highlighted Elmswell, Woolpit, Drinkstone, Bacton, Hessett, Thurston, Horringer, Rougham, Great Barton,

Nowton, Long Melford, Hadleigh, Lavenham, and Bury Cathedral.

Although many church's oldest stained glass windows were destroyed following Henry VIII's breach with Rome, thankfully some could not be reached by the state-sponsored looters or "iconoclasts". Not all of the windows were of religious subjects, so we were shown items of heraldry, windmills, floral motifs, Brownies, and even a computer and car! Some of the artists were well known names such as William Morris, Edward Burne-Jones, and Alexander Gibbs who worked for various companies and in different styles. As Christopher did not wish to take a fee for his talk, we made a donation to Ely Cathedral's Stained Glass Museum on his behalf.

FREE OPEN DAY at Bury Guildhall's WW2 Operations Room, Sunday 12th June, 10am-4pm. This will explore the little-known connection between the Royal Observer Corps and the D-Day landings - observers weren't just needed on land, but on the ocean waves as well!

Thursday 9th June, 7pm – our **A.G.M.**, immediately followed by Jacquie Norman's talk on "**Tudor Costume**". As an accomplished seamstress as well as a knowledgeable historian on Tudor costumes, Jacquie will have the usual slide presentation but also some impressive replica costumes to show us how clothes would have looked about 500 years ago, and not just of the wealthy elite. Do join us then, **at the earlier start time of 7pm**, for this final talk of our 2021-22 Season.

2022-23 Programme of Talks – for our new season starting in September, our programme is now complete, and copies will be available at our June meeting.

WETHERDEN PARISH COUNCIL

Village Survey - Dogs on the Wetherden Playing Field

For many years dogs have been banned from the Wetherden playing field. The Parish Council however recognises that a large number of villagers have dogs, and the use of the playing field when walking them or when with children would be hugely beneficial. We wish to gather the village's thoughts on this subject while considering a change in the rules. Please note, the playground will remain out of bounds for dogs regardless of any potential relaxation of the rule and would be subject to continuous review if instances of dog fouling becomes a concern.

A survey has been advertised on the Wetherden Facebook page, but we know not all have access to social media. If you would like to comment on the potential proposal, either for or against then please feel free to contact Richard Thurman on 07703 057 843 or email richardjohnthurman@gmail.com

The subject will be discussed at the next Parish Council meeting in June.

Dear Friends

There is much to reflect on across the seven decades of our Queen's reign, throughout which she has remained constant in her service, love and devotion toward her subjects and her duties. She of course has faced the changes of each passing decade with us, as we have looked to her for stability and strength in times of turmoil and uncertainty, as well times of hope and optimism. We might reflect on where she herself draws strength and stability from.

The hymn 'Abide with me' offers some answer, for her prayer has been her strength and stay, both in times of great sadness and great joy, and we take to heart it's prayer 'O Thou who changest not abide with me'.

I read one commentators view that not so many of us sing hymns as that day of our Queen's Coronation, and the same may be said of prayer. The prayer our Saviour taught us to pray then also may be less known and said. That it still clings to the language of that first Elizabeth centuries past lends credence to its dismissal as an irrelevance. Yet it speaks in hope of the Kingdom come on earth as in heaven and so provides hope whether good times or bad. Would it not be blessing then to mark the reign of our second Elizabeth in hymns and prayers of common speech and meaning? Our Queen has demonstrated her faith lived out for us and with us, not observed remotely at a distance in some great show of 'art in heaven', but daily as 'in heaven'. Whatever we know of the Lord's prayer, we all look for 'today our daily bread', and for God's 'will be done' in truth justice and peace. We all know of the trials of this life, whatever 'lead us not into temptation' brings to mind today we still pray deliverance from evil in times of hard testing, and look to establish that kingdom where power and glory are given to truth justice and peace.

Our Queen's reign began amidst the optimism of Europe's hard won peace, and Europe seems once more on the verge of a conflict to engulf the nations. So may we rediscover our prayer for the peace of God's Kingdom and deliverance from evil. May we rediscover those constant qualities of service to that Kingdom on earth as in heaven as our Queen has exampled for us and daily prayed with us. This Platinum Jubilee year of her seven decades, may we remember our faith's heritage in the story of the seven days of creation, and take inspiration from the gift of our Queen's Green Canopy as a living prophecy to the greater trial of service and duty due for the peace of all nations all creatures and all creation.

Yours in Christ

Volunteers needed – no experience necessary!

We recently held a 'topping out' ceremony for our re-instated 1580s Long House green oak roof! Everyone involved in the build, including some of our funders, gathered to celebrate finishing the raising of the frame. William Clement Smith, the professional timber framer who has worked with volunteers throughout, fixed a bouquet of apple, elm and oak to the apex of the Southern gable and a toast to the house was drunk.

Now we need to close the building in before the Winter and need Volunteers to make shingles (wooden tiles) for the roof and to pack the straw and clay mix into the walls for insulation. This is a deep green, hybrid daub. The materials are home dug and grown within 5 miles of the project. It is mixed with a hoe and applied by hand.

If you're interested in helping our community group to continue to lower their carbon footprint, would like to learn new skills and work outside with friendly people in a beautiful environment, do get in touch. You can call Sarah for an informal chat on 07766 054042 or email Carole at carole.orchardbarn@gmail.com. More information about what we do can be found on our website: orchardbarn.org.uk/volunteers
